

**UP-DATE TO THE FRIENDS OF YEATMAN HOSPITAL (FOYH) ON THE PROPOSAL TO OPEN A CHARITY SHOP**

*Dear Friends,*

On behalf of the Executive Committee, I would again wish to thank those Friends who replied to our questionnaire on the possibility of the FOYH opening a Charity Shop in Sherborne.

Over recent months of research and consultation, the Committee has considered all views expressed, in conjunction with a detailed report authored by a Committee Member who has a strong professional commercial background. The Committee's decision is that the time is not right, and the risks too great to open such a shop in Sherborne.

Circumstances may however change, and therefore the report will be held on file for future reference. Should any Friend wish to read the report, a copy is available on request to Mrs Linsley Withers our Administrative Secretary at [admin@friendsoftheyeatman.org.uk](mailto:admin@friendsoftheyeatman.org.uk)

*Yours sincerely,*

David G Hayes CBE
