

A COVID-FREE ANNUAL GENERAL MEETING

To avoid risk of COVID19 infection, this year's Friends of Yeatman Hospital Annual General Meeting will be an online "Virtual" meeting at 6pm on 16th November.

This Virtual format enables us to meet our responsibilities under Charity Law and our Constitution, it allows Friends to submit questions to the Board of Trustees in advance of the meeting, and vote on different issues during the meeting.

To attend, I invite you to register online through our website at www.friendsoftheyeatman.org.uk where you will find the agenda and further information on the meeting including the unique online rules of the meeting, how to submit questions and how to vote.

At the meeting a motion will be put forward to amend the current Constitution and vote on the appointment of new office holders and Trustees in accordance with our rules of rotation. This information is available for review on our website under AGM.

I look forward to welcoming as many of you who are able to attend, albeit "Virtually".

Yours sincerely

David G Hayes CBE
Chairman
