How to
become a Friend

The Friends of The Yeatman Hospital is a charity registered in England and Wales, Number: 1031326

The Yeatman Hospital fills a vital need in our community and the support of the Friends is increasingly necessary.

The main aims of the Friends are:

- To work in support of The Yeatman Hospital and the health of the Community served by the hospital
- To provide funds to support additional facilities and equipment to contribute to the efficient running of the hospital
- To encourage and foster public support of the hospital. There are more than 1000 active Friends of The Yeatman Hospital working in and around Sherborne

Since 1951 the Friends have raised substantial sums of money which have been used for:

- Significant contributions to the building of the Stewart Wing and its later refurbishment and extension to form The Willows, Stewart Lodge and the Minor Injury Unit; Extension and upgrade of the X-ray department
- End of Life suites equipped for seriously ill patients with facilities for their relatives
- Mobile ECG Machine for nursing within the community
- Complete upgrade and refurbishment of the Day Room, a Quiet Room and a staff rest room in The Willows
- Creating, furnishing and maintaining three gardens and patio areas within the hospital grounds
- Provision of facilities and equipment for patients, including televisions and Wi-Fi, sun blinds, and furniture
- Comfort enhancement for patients, including books, magazines & newspapers, flowers and pastoral care
- Extensive provision of furniture and equipment to facilitate surgical and outpatient procedures, including the accommodation of the Ophthalmology Department.

To achieve this, The Friends rely on income from different sources within our community including annual subscriptions, fundraising events, legacies, donations and money given in memoriam.

Management

11 Trustees are elected to the Executive Committee and serve for an initial term of three years.

The officers elected to the Executive Committee include Chairman, Vice Chairman, Treasurer and Secretary.

In addition there are a number of external advisors including the Matron of the Hospital, and representatives from:

North Dorset Health Care, Sherborne GP Forum, Sherborne Town Council, Sherborne Patient Groups.

Average management costs for the past 10 years have been no higher than 11% of funds received.

As a result of sound financial management the Friends retain a small reserve to meet any new or unforeseen opportunities to support the hospital.
